Mr. Thomas gave a report of the July Tobacco Settlement Agreement Fund Oversight Committee.

Mr. Thomas reported that the Kentucky Agriculture Heritage Center was presented with a check for \$11,000,000 on Wednesday, July 16, 2008, at the Capitol. The KADB approved \$1,000,000 in state funds for the market development study as well as the architectural design, development, marketing and promotion of the Center.

Mr. Thomas reported that Governor Beshear would be traveling throughout the state during the months of July and August on a "Beshear About Kentucky" tour. Following a thorough status report and schedule update by Dr. Overhults of UK, the Perdue growers posed several questions about the long term expectations of the project and UK's future role in assisting Kentucky's poultry industry. Though there was some disappointment with the progress of the project, the growers seemed understanding and eager to participate in the evaluations. Wayne Mattingly also reported that he had heard positive comments about the meeting.

Mr. Thomas made note of the Kentucky Agricultural Finance Corporation (KAFC) financial report (on file with the Board Secretary). KAFC has not met since our last Board Meeting, but is currently holding their July meeting next door.
